

For Immediate Release

## eSAX unites Ottawa's small business community

Ottawa, ON (November 6, 2025) — After a five-year hiatus, eSAX (The Entrepreneur Social Advantage Experience) returns on November 12 with Ottawa's largest entrepreneur networking tradeshow for small businesses. The event is set to bring together more than 600 attendees and 35 community stakeholders for an evening dedicated to building connections, fostering collaboration, and celebrating Ottawa's entrepreneurs.

Since its founding in 2012, the eSAX Entrepreneur Networking Tradeshow has become a cornerstone event for small business owners across the region. The tradeshow provides a unique opportunity for entrepreneurs to showcase their products and services, exchange ideas, and form partnerships that strengthen Ottawa's business ecosystem. eSAX also provides a social impact by raising funds for sick and marginalized youth via the Children's Hospital of Eastern Ontario (CHEO) and the Kiwanis Club of Ottawa.

Having attended hundreds of networking events himself, eSAX founder Jarrod Goldsmith aims to create a more connected and cohesive entrepreneurial small business environment. "Every entrepreneur is told they need to network to grow their business. At the same time, many organizations continue to operate in isolation, which can be detrimental to the broader business community. eSAX was created to bridge these gaps and strengthen the entrepreneurial ecosystem" says Goldsmith.

The eSAX event will be held on November 12, from 5 - 10 pm at the Horticulture Building (Lansdowne Park), 1525 Princess Patricia Way, Ottawa, K1S 5J3.

**About:** [eSAX \(The Entrepreneur Social Advantage Experience\)](#); is an entrepreneur networking community and high-energy tradeshow designed to inspire, connect, and elevate small business.
